

The East Africa Project Newsletter

The Fruits of your labor!

“In the same way, let your good deeds shine out for all to see, so that everyone will praise your heavenly Father.” Mt. 5:16 NLT

This month I just want share what God is doing through your partnership with The East Africa Project. I don't think I can tell it any better that our friends in Kenya. Enjoy! (btw, there's a common request from all of them! Can you spot it?)

“Hello Jeff,

Thanks for being in touch last week. Our training school began well for carpentry and welding. When we started we were anxious and began making things for sale, which we did, but after that we began to engage the students in class.

So far we have two students for the welding department and three in the carpentry section who are to pay 15000 ksh. The course takes six months. We expect more students next month.

We have an administrator and two tutors and we have engaged the third one for tailoring. The clothes materials you send have been a blessing to us, we used the black and red to make gowns for the kids school graduation. We were able to make 30pieces. We pray to make more. This gowns Christine will be hiring during graduations too @300ksh, for 30 pieces it's 9000 ksh which can buy some food for the school.

Thanks for your help. Continue praying for us, you see us on the top as you come in February. Pass our love to Mama Susan.

Pastor Harrison”

Hello Jeff,

We had evangelism training for two days. We handed the trainees materials and Bibles for evangelism. Thanks so much for your support. Give our love to Mama Susan.

Pastor Harrison.

“Am so great full for the material. We are using the bible study lessons too. I like them so much. We are also giving some Pastors the Study Bibles and discipleship literature we received from you and mama Susan. Thanks—Pastor Daniel”

“My team, Pastor Florence, Pastor Benjamin & the rest of the other four churches where we did send out our evangelism teams are heartily grateful for helping with this Lodwar Outreach gospel project.

I know it was a very huge sacrifice you made; words cannot fully express our gratitude we can only say “ASANTE SANA” We went to Lodwar a team of nineteen (19) men; students and teachers of our Pastoral Training Center. We trained them on the basic of the gospel and the simple presentation of it. The training would happen in every church for about 1hr daily, then we head out with them they interpret for us as they minister with us also. We reached 642 people in total. 561 prayed to trust Jesus Christ as their Lord & Savior. Over 86 turned up in respective churches. Our teams baptized 35 people.” - Pastor Christiano

Fantastic!!

Bible study materials, delivery to our ministry was indeed fabulous & amazing. 20 pastors have each received a study bible and study materials for congregation under them. Averagely 100 people have each received a personal bible for individual use.

We still have approximately 100 bibles in stores and quite a lot of study materials being issued out continually in our various discipleship workshops and outreach Ministries.

We are wonderfully supplied & equipped for our gospel propagation, day to day. We are humbled!! - Pastor Samson Juma and Beatrice.

“Many greetings Jeff. How are you? Its long missing you. I just want to thank you for sending me in school of some. The profit I got from the money they gave me, I bought Overlock machine. Am trusting God for more sawing machines. Thanks a lot. My regards to mama Susan.

- Phastine”

We thank God for His harvest and discipleship

Total number of those who have given their life to Jesus for this three weeks is a total of 120 people, all the key guys who have been discipled and are now doing it. So encouraging to see on how God is using them for His Glory.

It's amazing to see people responding to Christ by knowing Now is the day and time of salvation and immediately they have somebody who can mentor and disciple them to grow in Christ. Seeing them rejoicing and smiling for Jesus as soon they realise their lives have changed. What a blessing.

We still have this week and next week to visit more places in Mt Elgon

Thanks for your prayers and support. Our love to mama Susan!

Yours in Christ service
— Pastor Richard

The East Africa Project

“At its most basic level, someone’s “heart language” is often the first language someone speaks at home. It’s the language that comes to represent their cultural and geographic identity. The language they dream in. “

The East Africa Project recently was able to ship 10,000 Swahili New Testaments to Kenya! These are being distributed throughout rural Kenya so that believers can read the Word in their own heart language!
